

**Matt Eggers,**  
Managing Director,  
Prelude Ventures

Matt Eggers is a technology and business leader with extensive experience in sales, marketing, finance, product, and operations. He joined Prelude Ventures as Managing Director in 2023, following his role as a partner at Breakthrough Energy Ventures. With fifteen years in climate tech, Matt has held key roles at Sunrun, Tesla, and Bloom Energy. His broader career includes roles at Genentech, Morgan Stanley Venture Partners, and Yardi Systems. He holds a B.S. in Molecular Biology from Duke University and an MBA from Stanford. Additionally, he serves on the Board at the Duke University Center for Energy, Development, and the Global Environment.
